

Mr. Shawn Sheehan, M.S., M.Ed 413-529-1585 x2505

ssheehan@epsd.us

Room: 321

Textbook:

Modern Chemistry, Holt (2002) **Cost \$65.00** Or Merrill Chemistry, Glencoe (1998). **Cost \$65.00**

Requirements:

- Algebra 1
- Internet service to access the Moodle server at <http://moodle.epsd.us>

NOTE: A cell phone can be used for most resources. However, there are some Flash and Shockwave applications that require a computer.

Assessment:

This course is pass/fail. Students who successfully complete this course will receive 2 credits.

Students will receive a passing grade providing that:

- Material is complete for all eight units in the binder.
- At least 70% is achieved on the digital test at the end of each Moodle unit.
 - Students can take the practice test multiple times to prepare for the digital test.
- The deadlines are being met for the course completion schedule.

Course Completion Schedule:

Topic	Due Date
1-Atomic Structure	9/22/17
2-Periodicity	10/6/17
3-Chemical Bonding	10/20/17
4-Chemical Reaction	11/13/17
5-Reaction Stoichiometry	12/8/17
6-States of Matter, Kinetic Molecular Theory	12/22/17
7-Thermochemistry	1/12/18
8-Acids & Bases	1/24/18

Extra help: Students should e-mail the instructor at ssheehan@epsd.us or make an appointment to stay after school.
