

# EASTHAMPTON HIGH SCHOOL COVID-19 SAFETY PROTOCOLS STUDENT AGREEMENT

The following safety protocols will be in place at EHS to help prevent the spread of COVID-19:

<p>1. Students must wear a mask at all times while in the building. See reverse for proper mask wearing techniques.</p>	
<p>2. No food or outside drinks may be consumed in the building with the exception of water from personal water bottles. (Students may momentarily lower their mask to sip water.)</p>	
<p>3. Students must maintain proper physical distancing of six feet away from each other while in the building or on school grounds.</p>	
<p>4. Only one person will be allowed in a bathroom at any one time.</p>	
<p>5. Students should sanitize their hands when entering any room.</p>	

I agree to comply with these safety protocols. I understand that I will not be allowed to stay in the building if I refuse to comply with these protocols.

## Recommended

Non-medical disposable masks

Masks that fit properly (snugly around the nose and chin with no large gaps around the sides of the face).

Masks made with breathable fabric (such as cotton)

Masks made with tightly woven fabric (i.e., fabrics that do not let light pass through when held up to a light source)

Masks with two or three layers

Masks with inner filter pockets

## Not Recommended

Masks made from materials that are hard to breathe through (such as plastic or leather)

Masks made from loosely woven fabric or that are knitted, i.e., fabrics that let light pass through.

Masks with one layer

Masks with exhalation valves or vents

Wearing a scarf/ski mask or gaiter as a mask

Masks that do not fit properly (large gaps, too loose or too tight)
